#### JEFF SPEAKS.

School days are almost over. Have you made up your mind what you are going to do? In this great big world you must be prepared as never before to make your way. Down South where I have just visited, they are preparing to take up every avenue of life that is honorable and they are taught that they must start in at the bottom and work up in some colored business establishment; and they are making good.

We have pitied the South. The truth as I saw it is that the South should pity us, for they are as far advanced over us as the white race is over the colored. The children are taught at home that the future of the young Negro boy and girl is at the bottom. The School and Church teach it. Up here they are not taught this at either place. Wake up, so-called North, and try to keep up with the South. All work is honorable, but when you start in a white man's business establishment, you start at the bottom and stay at the bottom.

This article was written as a part of the things which we saw in the so-called "bad South." That southern training would do many of us much good. Think of something good that you want to be and you will succeed. With best wishes for your future, thanking you for past and present patronage, I am ever,

Yours truly,

#### THE ROBERTS BROTHERS LEAD.

A reporter for the Kansas City Sun, after interviewing more than a score of purchasers of cars from the Roberts Co., very fitly applied the term, "It leads" to this firm. "In what does it lead?" you may ask. The Roberts Brothers lead in sales as never before in the history of Kansas City have so many members of the Race purchased cars and the majority of the sales have been made by this splendid and progressive company.

The Roberts Brothers lead in handling the best cars. They also lead in satisfying the customer and his terms are always their terms.

During the past week this firm delivered the following cars:

To Mr. J. J. Allen, president World Wonder Oil & Gas Co., a Hudson, Six Phacton. Mr. Allen says he looked at many, but the car he bought couldn't be excelled.

To Dr. Seymour H. Hill, dentist, at 18th and Paseo, a 5-passenger Commonwealth touring car. Dr. Hill hasn't much time to ride, but says when he does so, he must ride in the best.

To Dr. J. Ottaway Henley, physician, 1309 E. 18th street, a new Buick Coupe. Dr. Henley believes in "preparedness."

To Mr. Thomas Whibby, mechanic, 2406 Highland avenue, a new Ford Sedan. Mr. Whibby being a mechanic knew what to buy.

To Mr. Frederick Welton of Ottawa, Kansas, a Ford touring car.

To Dr. Melford Brooks, 1509 East 18th Street, a new Ford Coupe.

To Mr. Bush, Wells, police officer and owner of a taxi stand on 12th St., an 8-cylinder Peerless 7-passenger touring car.

These are all beautiful, new cars, well equipped and first class in every respect and the purchasers of one accord declare the Roberts Co. the most accommodating and painstaking firm with which they have transacted business. Call East 3172 and they will show you any make of car desired. You need not buy until you are satisfied.

#### TO THE PUBLIC.

The McDuffie Department Store, organized by Rev. S. Douglass McDuffie, summer of August, 1919, threw open its doors to the public the last Saturday in August. I make this annual report so that the citizens might see my clear and clean motive in perfecting these plans, there were about 100 subscribers to the store; a total of \$650.00 was collected, the building was rented from Mr. A. T. Moore at \$40.00 per month, the furniture and fixtures for the store were as follows:

Shelving.....\$49.50  
Counter and showcases.....50.00  
Ice box.....150.00  
Meat block.....37.50  
Tools, knives and meat trays.....25.00  
Screen wire for meat dept.....12.50  
Meat grinder.....5.75  
Cheese cutter.....5.00  
Stock of groceries.....350.00  
Store rent (in beginning).....40.00

Total.....\$709.25

I deposited in the Gate City Na-

tional Bank \$150.00 to the credit of the store. I left Kansas City August 30, 1919, for the South to resume our work in the evangelistic field; we left Mrs. J. Abernathy and Nathaniel Walls as managers of this store; Mrs. Abernathy did the very best she could to keep things in line, but not having the proper experience many things went wrong. I have not and will not hold the management of the McDuffie store responsible for its failures, but to exonerate myself in the estimation of the public I now render this report. It suffices me to report that out of the furniture and fixtures bills for the equipment of the store a total of \$319.25 spent for furniture, I only owe \$45.00, making everything in the store mine from the month of October 12th up to the present date, the store hasn't cleared one penny, but gets farther and farther in debt, hence at the resignation of Mrs. Abernathy, I employed Mr. William Walls to look after the business, authorizing him never to spend his own personal money, but make the profit run the store; if not, close the same; later I found the majority of stock was gone and nothing to replace it; hence I ordered the store closed until my return; the store has not been able to pay one bill, or one month's rent since its existence. I have paid out of my own personal earnings the telephone, lights, stock, the store after the fire, and the rent from August, 1919, to March 12, 1920, a total of \$360.00 for rent only, to say nothing of telephone, lights, etc., money to restock store after the fire on my return from South December 15th, \$175.00, money to H. D. Lee on credit account \$100.00; money on furniture and fixtures \$70.00. A grand total spent of my own personal earnings since December 15th, 1919, up to March 25th, 1920, are as follows:

Rent of store (9 mos, \$40 per).....\$360  
Purchase stocks Dec. 15, 1919.....175  
Paid H. D. Lee for groceries.....100  
bought by managers.....100  
Paid Mr. Smith on ice box.....75

Total.....\$610

In as much as I have spent this much out of my own earnings and know the stockholders are looking to me only for their money. I ordered the store closed that something might be there to represent my interest in the people as I am going to pay everybody when I get there, though all can easily see who has been affected. I render this report for the understanding and safety of all; the store belongs to me, as it was me who borrowed the money from the people and not my clerks. I send this report, secondly, because I am warning anybody from being persuaded to purchase stock in the store, as I have not given my clerk or manager any permission to purchase goods and attempt to sell it in a building, where I am paying rent; my stockholders are not looking to them, but to me, for their money. I have authorized that the store remain closed until I come or otherwise instructed any one attempting to buy stock or attempt to reopen the store will be doing so at their own risk.

REV. S. DOUGLASS M'DUFFIE.
